

# "Hide the Clipping"

## Grading Rubric

	Point Rating	To attract a viewers attention toward a dominant object or focal point	To develop attractive non-representational designs and use them as a motif	To mix colors and match them to existing colors using colored pencils	Craftsmanship
Student shows strong understanding and exhibits it with exceptional creativity	5	Both a dominant object and a focal point are apparent And Used to distract the viewers attention away from the clipping	Motifs are repeated consistently, frequently, And thumbnail designed with exceptional creativity representing the three kinds of shape	Multiple colors are carefully combined to match the color of the clipping with near perfection	Clean/clear condition With Evidence of unique and exceptional skill in the drawing.
Student shows strong understanding and completes objective with outstanding success	4	Both a dominant object and a focal point are apparent	Motifs are repeated consistently, frequently, representing the three kinds of shape Or thumbnail designed with exceptional creativity	Multiple colors are combined to closely match the color of the clipping	Clean/clear condition with a good use of media
Student successfully demonstrates an understanding of the objective	3	Either a dominant object or a focal point is apparent in the design	A Design is repeated consistently	colors are changed to closely match the color of the clipping	Clean/clear condition
Student attempts but fails to exhibit an understanding of a given objective	2	Scale of objects change but clear intent is not obvious	Designs are repeated inconsistently, Or are representational	colors are related to the color of the clipping But are not altered or matched	Poor condition or careless use of media
Student completes assignment but exhibits poor understanding and effort	1	Scale remains consistent and any focal points appear unintentional	Designs are not repeated.	Colors do not match that of the clipping or a clear attempt to change the clipping is evident	Poor condition & careless use of media
