

# "Linear Expression" Grading Rubric

	Points Earned	The line quality has changed throughout the drawing and reflects emotion or expression	The new media (ink and pen or brush) has been used correctly	Student demonstrates skill and technical refinement
Student shows strong understanding and exhibits it with exceptional creativity	5	Clear and conscious use of line quality to convey at least 3 emotions is made readily and specifically apparent	Clear mastery of pen and ink is obvious without flaw And No graphite is showing	Work is free from damage with an obvious effort to protect the condition of the work And All project steps are followed correctly
Student shows strong understanding and completes objective with outstanding success	4	Line quality changes and meaning is consistent with emotions	Strong use of pen and ink but small flaws exist Or Graphite marks are apparent	Great care is apparent in the finished work but deviation from the project steps detracts from the work
Student successfully demonstrates an understanding of the objective	3	Line quality changes and intent is apparent	Good use of pen and ink though media appears to remain in a learning or trial phase	Work is in fair condition and the project is executed correctly Or Information is missing
Student attempts but fails to exhibit an understanding of a given objective	2	Line quality changes but coherent use is unapparent	Pen and ink is used correctly though persistent flaws exist or serious graphite marks remain un-erased	Lack of care for the work is apparent And/or Information is missing/improper execution of the project
Student completes assignment but exhibits poor understanding and effort	1	Clear intent or effort to change the quality of the line is unapparent	A clear lack of understanding of the use of pen and ink is obvious	A clear and obvious lack of proper care and respect for the work is obvious
