Dear Parents/Guardian,

I intend to show the movie “The Village” in your student’s beginning drawing and painting class. The movie is rated PG-13 for a scene of violence and frightening situations. The movie provides an opportunity to begin discussion of social issues as outlined in the California State Standards for proficiency in art and the use of color in the story telling may allow students another level of comprehension.

For your student to watch this movie in class they need your permission. Please sign the blank below acknowledging that your student has your permission to watch the movie. If this permission slip is not returned before the movie or you do not wish your student to view this movie, he or she will participate in an alternate activity.
